

“Jesus, What Happens When I Die?”

Matthew 22:23-33

Errors to Avoid When Thinking About Life After Death. . .

- **Misunderstanding** the Scriptures.
 - They teach God is not the God of corpses but of **living** people.
- **Underestimating** the power of God.
 - The future is a love **beyond** marriage, not beneath it.

Jesus, What Happens When I Die?

There is life after death and it will wildly exceed your present experiences.

How Then Shall We Live in Light of Life After Death?

- **Trust** the one who secured life after death.
- **Treat** death as your servant.
 - Death serves you as you **live**.
 - Death serves you as you **die**.
